

WANTED

DEAD... OR NEARLY DEAD

The Crypto Kid

AKA: *Cryptosporidium parvum*

Last Seen: Faecally contaminated water; any food contaminated by such water or by infected food handlers

Bounty Hunters' Advice:

- Avoid contaminated water and food
- Wash and/or peel raw fruit and vegetables before eating
- Cook food thoroughly
- Have good standards of personal hygiene
- Avoid eating uncooked foods in countries with minimal water treatment and sanitation systems
